PROFESSIONAL SUMMARY

A detail-oriented and adaptive 3D Visualization Artist with a strong background in sales, team management, and practical psychology. Proven track record of managing complex operations, coordinating stakeholders, and delivering high-quality visual content. Expert at understanding client needs, managing technical requirements, and translating design concepts into realistic, high-end renderings.

WORK EXPERIENCE

3D Visualization Artist (Freelance)

Freelancehunt, LLC (Remote) | *September 2023 – Present*

- Create high-quality, photorealistic 3D visualizations of interiors and exteriors.
- Utilize **3ds Max**, **Corona Renderer**, and **Photoshop** to set up realistic lighting, physically correct materials, and final rendering passes.
- Model furniture, decor, and custom interior design elements from scratch.
- Perform post-processing, color grading, and compositing of ready renders in Photoshop.
- Analyze technical design briefs, blueprints, and mood boards; implement client feedback and revisions efficiently.

Head of Military Department

Epicentr K, LLC (Hypermarket No. 7, Kyiv) | *May 2022 – June 2024*

- Organized day-to-day department operations and managed a team of retail personnel.
- Controlled order fulfillment and coordinated logistics with suppliers and distribution centers.
- Managed procurement, forecasted inventory needs, and placed product orders based on market demand.
- Analyzed stock levels, monitored key performance indicators (KPIs), and optimized dead stock.
- Prepared operational, financial, and inventory reports for senior management.
- Managed the registration, storage, and strict accounting of firearms and ammunition.
- Handled legally sensitive documentation, including uploading permitting documents to the Unified Weapons Register.
- Cooperated directly with the National Police of Ukraine and compliance inspectors from the Department of Preventive Activity regarding weapon circulation controls.
- **Key Achievement:** Successfully initiated and executed the launch of a new firearms retail section from scratch. Coordinated construction and fit-out according to approved designs, secured all legal permits (MVR, fire safety, State Security Service), and established all operational workflows to launch the project on schedule.

Section Supervisor

Epicentr K, LLC (Hypermarket No. 5, Kyiv) | *October 2018 – August 2020*

- Organized and supervised daily sales operations within the assigned section.
- Coordinated staff schedules, tasks, and sales performance.
- Collaborated with suppliers to maintain optimal inventory levels and product assortment.

Deputy Head of Department (Purchasing & Ordering)

Plumbing Department / Garden & Agriculture Department

Epicentr K, LLC (Hypermarkets No. 5 & No. 6, Kyiv) | *October 2016 – November 2018*

- Placed stock and inventory orders with suppliers based on company and customer requirements.
- Monitored order execution and streamlined communication with suppliers and the central distribution center.
- Analyzed inventory levels by product sub-groups, identified slow-moving goods, and optimized stock rotation.
- Participated in organizing and conducting comprehensive stock inventories (audits).
- Prepared routine analytical and operational reports.
- Managed department personnel, structured workflows, and fostered effective team collaboration.

Sales Associate | *Plumbing Department*

Epicentr K, LLC (Hypermarket No. 6, Kyiv) | *July 2015 – October 2016*

- Provided high-quality customer service and professional consultations regarding product features.
- Handled pre-sale product preparation and maintained visual merchandising standards across displays and showcases.

Sales Associate

SAV-Distribution, LLC (Foxtrot Retail Chain, Kyiv) | *October 2014 – April 2015*

- Assisted customers, finalized sales transactions, and monitored stock levels on the sales floor.

Restaurant Administrator

Chameleon Gold / Mirage-Park, Kyiv | *February 2013 – October 2014*

- Managed front-of-house staff, ensured premium customer service standards, and resolved guest issues.
- Handled administrative tasks, shifts, financial reporting, and compliance documentation.

Sales Manager

MAXUS UKRAINE, Kyiv | *September 2011 – January 2013*

Sales Consultant
